APPENDIX VI.

(*Vide Answer to Question No. 595*).

Proceedings of the Director of Public Instruction.

Read Diwan's Proceedings dated 28th March 1930, C. 89/1101, Local and Legislative Department, regarding the double-shift system of teaching in Malayalam Primary Schools.

Order dated 13th March 1930, C. No. 9320/1105.

The double-shift system, otherwise called half-time, is being worked in some of the Malayalam Primary Schools in the lower primary department. The popularity and success of the system will mainly depend on the cordial co-operation and earnestness of the teachers concerned. To ensure such co-operation and to remunerate them for the additional work thrown upon them, Government have sanctioned an extra allowance of Rs.5 per mensem, provided such teachers are engaged in work for not less than 6 hours a day.

The following rules are laid down for the proper working of the system :—

1. The system is intended to relieve the young children reading in the lower primary departments (classes II and I) from the long strain they are subjected to. Three hours' instruction is ample in their cases.

2. Two divisions of classes are to be worked by one teacher, one division in the morning and the other division in the evening.

3. The hours of working may be adjusted to suit the conditions of different localities.

4. There should be a minimum strength of 30 in each batch and the teacher should work 6 hours to be entitled to the allowance.

5. A period of 40' or 45' duration may be allotted for the teaching of important subjects, such as Malayalam and Arithmetic, and half an hour, would be enough for minor subjects, such as object lesson, story telling, handwriting, etc.

6. The standard of instruction should not be lowered on any account. There should be proper supervision over the work of these teachers.

7. Previous sanction should be obtained for the introduction of the system and for claiming the allowance on behalf of the teachers concerned.

8. The payment of the extra allowance now sanctioned by the Government will be given effect to from the next educational year.
